

Breast Cancer Support Group

NOW VIRTUAL! Breast Cancer Support Group

When: 1st & 3rd Thursday each mo.

Time: 1:00 pm to 3:00 pm

Platform: Zoom—Call the center for instructions to sign up for this group

Join women who understand what you are going through. Join the group to find support with those who have had a diagnosis of breast cancer.

Discuss issues related to living with breast cancer and the impact of this experience on your life. This group will provide information and education on what to expect with chemotherapy and/or radiation and tips on how to cope with treatment. The group also provides emotional support and encourages participants to share their feelings. *(This group is for breast cancer patients only).*
